

term consequences of this military action. As a Member of Congress, it is my responsibility to make sure we don't commit resources, the most precious of which are our men and women in uniform, with no comprehensive plan for our involvement. Congress needs to debate and develop a new Authorization for the Use of Military Force (AUMF) before authorizing one piece of that strategy that will inevitably lead to further involvement across multiple national borders.

PREVENTING EXECUTIVE OVER- REACH ON IMMIGRATION ACT OF 2014

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 4, 2014

Mr. VAN HOLLEN. Mr. Speaker, I rise today in opposition to H.R. 5759, the so-called "Executive Amnesty Prevention Act of 2014."

This bill is nothing more than a political stunt by my colleagues across the aisle. It seeks to restrict the President from using his executive authority—much in the same way that President Reagan and President George H.W. Bush have done before him—to further secure the border and prioritize deporting felons over families. In fact, over the last 50 years, every President has used executive authority to take action on immigration, including six Republican Presidents.

This bill would not only be limited to the President's most recent use of executive authority but would also prevent the Administration from granting deferred action to Dreamers who are currently eligible for DACA (Deferred Action for Childhood Arrivals) but have not yet received it. This would effectively end the DACA program—which has already provided temporary protection for 700,000 individuals who were brought to the United States as children—and would subject hundreds of thousands of Dreamers to deportation. This legislation is so broad that the Administration would not even be able to grant deferred action from deportation to family members of U.S. Military troops.

Most importantly, this bill does nothing to address our broken immigration system. It has been more than 520 days since the Senate passed a bipartisan comprehensive immigration reform bill yet Speaker BOEHNER has refused to let us vote on this legislation. Mr. Speaker, let the People's House vote on this important measure and let democracy work its will. Why is this House so afraid of a little democracy?

HEAR WHAT I HEAR: THANKING THE ARMED FORCES AND THEIR FAMILIES THIS CHRISTMAS

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 10, 2014

Mr. SESSIONS. Mr. Speaker, I rise to honor our Armed Forces and their families, on this Christmas and holiday season of giving. Their gifts to our Nation are of the greatest. Let's

keep them in our prayers this Christmas and holiday season. I submit this poem penned in their honor by Albert Carey Caswell.

HEAR WHAT I HEAR

Pray for peace, people everywhere
Listen to what I say I say
The child, the child, sleeping in the night
he will bring us goodness and light
he will bring us goodness and light
Do you hear what I hear,
I hear
This Christmas our troops are coming home,
to their loved ones where they belong
To be near.
To be near
Do you hear what I hear
I hear
All those most poignant tears,
of all those who've lost their loved ones so
very dear

So dear
Who will be alone year after year
After year
Never again to be near
To be near
All of those little boys and girls,
who've lost all their best friends in the world
In the world
Do you see what I see
I see
All those amputees,
who gave all their strong arms and legs,
as for you and me what they gave
What they gave
And all those physical therapists who inspire
these
To dig in deep
Dig in deep
Do you see what I see
All those selfless ones,
whose eyesight is now gone,
all for the price of freedom they paid
They paid
Do you know what I know
I know
How inside them all so grows,
the scars of war upon them so
PTS something on that outside which
doesn't show
Do you know what I know
Our Armed Forces,
are our most brilliant of all souls
Whose hearts are made of gold,
and their families so
And their families so
Let us bring them silver and gold
Silver and gold
All in our hearts that we hold,
that we hold
Do you know what I know
All those doctors and nurses so,
who from death have so stole
So stole
Giving all those families hope
Giving them peace and such hope
As all across America in hospitals their dedi-
cation shows

Shows
Do you see what I see
I see
On this Christmas Eve,
how much we owe to all of these
How great they are so all indeed
With a voice as big as the sea
as big as the sea
Found in all their deeds
In this season,
of the birth of the Prince of Peace,
please please remember him and all of these
Because they too bring us goodness and
light,
they bring us goodness and light

HONORING CONGRESSMAN TOM LATHAM ON HIS RETIREMENT

SPEECH OF

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Monday, December 8, 2014

Mr. ROGERS of Kentucky. Madam Speaker, I rise today to pay tribute to a dear friend and colleague upon his retirement from the U.S. House of Representatives.

I have had the honor and pleasure of serving with Congressman TOM LATHAM on the House Appropriations Committee since 1997. TOM has served on a number of subcommittees, lending his expertise on energy, agriculture and homeland security policy over the years, and most recently serving as the Chairman of the Subcommittee on Transportation, Housing and Urban Development.

Not only is he an exceedingly capable legislator who has demonstrated, time and again, his commitment to fiscal responsibility, but it is immediately obvious to anyone who meets him that he is 100% committed to his constituents in Iowa.

It is apparent that his Iowa values—hard work, community service, dedication to family—have colored his work here in the U.S. Congress. TOM is a thoughtful, natural born leader whose commitment to our country and his constituents comes through in every meeting, committee hearing and markup he attends. He isn't afraid to put his head down and do the difficult work demanded by this institution.

The two of us have made some great memories throughout his two decades of service, and my time in Congress has been greatly enhanced with TOM as a partner and friend. While all of us in the House of Representatives will miss his intellect and friendship, I ask you to join me in wishing TOM, his wife Kathy, their children and grandchildren all the best in his retirement. Thank you, TOM, for your service.

JAMES L. OBERSTAR MEMORIAL HIGHWAY

SPEECH OF

HON. KEITH ELLISON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 8, 2014

Mr. ELLISON. Mr. Speaker, I rise today in support of House Resolution 4926, to designate a segment of Interstate Route 35 in the State of Minnesota as the "James L. Oberstar Memorial Highway." This legislation would designate the segment of Interstate Route 35 between milepost 133 at Forest Lake, Minnesota, and milepost 259 at Duluth, Minnesota, as the "James L. Oberstar Memorial Highway."

Renaming these highways is a good way to memorialize Congressman Oberstar's contributions to Minnesota and our country. Born to an underground miner from Chisholm, Minnesota, Jim Oberstar served as a representative for the state of Minnesota for 36 years, totaling 18 terms from 1975 to 2011. He is the

longest-serving congressman in Minnesota history.

During his over thirty years of service to our state, Jim always put Minnesotans first. He was a public servant above all else. He had a gifted mind and an uncanny memory that helped him master a number of languages, including Haitian Creole. Jim's passion for helping people get from one place to another safely was contagious and his vision for Minnesota's future lives on as the projects he fought for as chairman of the Transportation Committee remain in Minnesota today.

After the Interstate 35 Bridge collapsed in Minnesota, Jim authored legislation which authorized \$255 million without delay to begin the recovery and rebuilding process. His effective leadership was essential in that time of crisis. In addition to helping rebuild the I-35 Bridge, Jim was responsible for the Gitchi-Gami trail along Lake Superior's North Shore, the lakewalk in Duluth, and the 120-mile long Paul Bunyan bike trail.

Jim Oberstar embodied the Minnesotan values of public service, selflessness and compassion. His spirit, ideas and energy are deeply missed. For these reasons, I support this legislation.

RECOGNIZING JOHN ALTON MILLER, JR., FACHE FOR A RECORD OF SERVICE

HON. JEFF DUNCAN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 10, 2014

Mr. DUNCAN of South Carolina. Mr. Speaker, I rise today to recognize the life and career of Mr. John A. Miller, Jr. for his 41 years of involvement with AnMed Health System and with the local community in South Carolina. John began his career with AnMed Health in 1973, eventually becoming its Chief Operating Officer (COO) in 1978 and serving as its Chief Executive Officer (CEO) from 1998 to the present. I have appreciated John's expert views on healthcare policy and economic development over the years.

Anchored by AnMed Health Medical Center in downtown Anderson, South Carolina, AnMed Health is one of the largest employers in South Carolina's Third Congressional District with over 500 physicians and nearly 4,000 employees. The 690-bed, not-for-profit health system is one of the state's largest not-for-profit independent health systems and serves South Carolina, Georgia, and North Carolina. AnMed Health also serves as a local hub of medical education, partnering with institutions such as Clemson University, Anderson University, The Medical University of South Carolina, and AnMed Health's own Family Medicine residency program in the training of future healthcare professionals, which has graduated over 300 family doctors since 1975.

John began his career with AnMed Health in 1973 after graduating from the University of North Carolina at Chapel Hill, serving in the U.S. Navy and completing a Masters of Health Administration from Duke University. John has also received an Honorary Doctorate of Humanities from Anderson University. John's career in healthcare now spans nearly 41 years as does his involvement in the Anderson Community and across the region. He has

served in numerous leadership capacities with a number of local, regional, state, and national organizations, including the Anderson Area Chamber of Commerce, the Anderson Area YMCA, the Anderson County United Way, Innovate Anderson, Hospice of the Upstate, Upstate South Carolina Alliance, Ten at the Top, Leadership South Carolina, and the SC Chamber of Commerce.

During John's tenure at AnMed Health, he has led AnMed Health from a community hospital to a comprehensive health system, encompassing five hospitals, a modern cancer center, a comprehensive home care division, a Level II trauma center, a cardiac and orthopedic center, three outpatient surgery centers, a family medicine residency program, two minor cares, two retail pharmacies, and a network of physician practices. John's knowledge and understanding of the changing healthcare landscape and his ongoing dedication to the organization and the community have ensured the continued realization of AnMed Health's founder Jennie Gilmer's vision to bring comprehensive and quality healthcare to the Anderson community. While at the helm of AnMed Health, he has continued to encourage the achievement of the gold standard for the health system by lending support to AnMed Health in its achievement of Magnet designation for nursing excellence by earning Top 100 recognitions by organizations such as Thomas Reuters and Becker's Hospital Review, U.S. News and World Reports Best Regional Hospital, and numerous accreditations from the Joint Commission and other national organizations.

John has contributed to the advancement of the healthcare industry on a local, regional, state, and national level over the past four decades by serving in a leadership capacity with such organizations as the American Hospital Association, the American College of Healthcare Executives, the South Carolina Hospital Association, and many others. While he is leaving his leadership post, he will still remain active with AnMed Health and various national and local organizations. I know that John will always be there to offer much needed counsel to those in need. Mr. Speaker, on behalf of the 3rd District of South Carolina, I wish to express our deepest thanks to Mr. John A. Miller, Jr. for his significant contributions to AnMed Health, the local and regional communities, and healthcare overall. We wish him and his family all the best in their future endeavors.

HONORING THE LIFE OF HARRY EMMET MCKILLOP

HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 10, 2014

Mr. HALL. Mr. Speaker, I rise today in honor of the life of Harry Emmet McKillop of McKinney who passed away November 7 at the age of 92. Harry was a passionate family man, global humanitarian, a dedicated patriot, and a dear friend of mine.

The child of Harry and Cecilia (née D'Ozeville) McKillop, Harry was born January 2, 1922 in New York, New York. Harry served his country as a naval officer aboard the USS *Phoenix* in the South Pacific during World War

II. A graduate of St. John's University with a degree in law, Harry worked throughout the world in the airline industry working his way up to the executive level with United Airlines, after which he serviced as Vice President for Braniff International and Vice President with Pan American Airways over a thirty year span. Hired in 1985 by Ross Perot, Harry headed the travel department for Electronic Data Systems before being appointed as President of Alliance International Airport—International Division by Ross Perot, Jr.

In addition to a lifelong career in the aviation industry, Harry dedicated more than 40 years of unselfish service to Americans in need around the world—most notably by continuing the search for and return of missing POWs and MIAs in many countries including Vietnam, Laos, Cambodia, Iran, and Iraq. His tireless work included managing logistics for Ross Perot's trip of the wives of American POWs to Vietnam to provide supplies and relief to the POWs. For his devotion to humanitarianism and patriotic service, in 2007 President George W. Bush awarded Mr. McKillop with the Secretary of Defense Medal for Exceptional Public Service, one of the most prestigious awards given to a civilian by the Department of Defense.

A man who loved history especially as it relates to his Irish roots, Ross Perot established The Harry McKillop Irish Spirit Award to honor the life of and work of his friend for his commitment to "Irish Spirit" in 2003. Among those to receive the award are Jean Kelly of Speedwell Trust, Rev. Bill Shaw of 174 Trust, and Richard Moore of Children in Crossfire. In honor of his work addressing the plight of POWs and MIAs from Vietnam and successive wars, as well as his support of Irish causes and business developments in Ireland, specifically Shannon Airport, The University of Limerick conferred an Honor Doctor of Economic Science on Mr. McKillop in early 2014.

Harry was a long-time member of the Knights of Columbus, a former Grand Knight of the New World Council 9903 in McKinney, and a member of the 4th Degree Assembly 2266 in Plano. Children in the Fourth Congressional District attend the Harry McKillop Elementary School in Melissa, Texas. He has also been honored by the McKinney Fire Department as an Honorary Battalion Chief.

Harry is survived by his wife of 27 years, Rebecca Sue, and their daughters, Mary (and husband Seth) and Tory, six children from his first marriage: Linda, Laurie, Jeff, Wayne (and wife Mary), Allison, and Tracey, as well as 22 grandchildren: Aaron, Andrew, Kittredge (and husband Jack), Kelly (and husband Ken), Finnian, Vivienne, Ryan, Tessa, Maxwell, Jane, Corey (and wife Samantha), Zachary, Lauren, Kerry, Elizabeth, Lara, Tara (and husband Shane), Nick, Ben, Daniel (and wife Samantha), Michael (and wife Hannah), and Emily, and 9 great-grandchildren: Denver, Isabella, Sage, Sean, Maddox, Canyon, Noble, Leighton, and Olive, along with 17 nieces and nephews, and his siblings, Carol and Donald. He is preceded in death by his parents, his sister, Lucille, and his brother, Tom.

Mr. Speaker, I ask my colleagues to join me in celebrating the life of Harry Emmet McKillop and the positive impact he had upon his community and communities around the world. He was a man of faith, family, generosity, and selflessness and I believe we can all learn from his example.
